## UPDATE ON CO-OP CONSOLIDATION

**B**eginning July 1, 2007, McLennan County Electric Cooperative and Belfalls Electric Cooperative will officially consolidate to form Heart of Texas Electric Cooperative. The web-site address is [www.hotec.coop](http://www.hotec.coop).

However, like BEC and MCEC, Heart of Texas Electric Co-op will continue to be a member-owned cooperative, governed by a member-elected board of directors. The co-op's only purpose for existence is to provide the membership with reliable electricity and quality service at the lowest cost.

The telephone numbers will stay the same. The offices will continue functioning with the same employees. You will still receive prompt, courteous service for billing questions, outages and any other concerns. The name may be changing, but the face of your co-op and our commitment to providing quality service to our members will not change.

Continued updates and information are available on our website at [www.hotec.coop](http://www.hotec.coop).
